**Background:**

The AGP-LMD Project is a USAID program implemented by CNFA – an American international development organization – in Ethiopia. The goal of the AGP-LMD is to build on the Government of Ethiopia’s initiatives and renewed commitment to increase agricultural and livestock productivity and competitiveness, as well as the U.S. Government’s Feed the Future initiative. As part of project activities, the AGP-LMD Project requires the procurement of three units of milk Processing Plants (Pasturized Milk and Yogurt).

AGP-LMD is soliciting quotations from eligible and responsible firms for the procurement of the above referenced equipment. Once vendor(s) are selected, CNFA will
issue purchase orders for the equipment quoted by the vendor, up to the maximum stipulated later in this RFQ.

Delivery place: Addis Ababa, Ethiopia.

Please submit the bid for the equipment described in the attached pages in accordance with the instructions and terms and conditions of the RFQ as described below.

This RFQ includes the following sections:
1. Offer Deadline and Protocol
2. Questions/Clarifications
3. Prohibited Sources
4. Eligibility of Offerors
5. Quotations
6. Terms and Conditions of the RFQ
7. Basis of Award
8. Place of Performance
9. List of Equipment

Attachment 1: Cover Letter

All correspondence and/or inquiries regarding this Request for Quotation must be in accordance with the instructions contained in this RFQ. Failure to comply with the instructions described in this RFQ may lead to disqualification of an offer from consideration.

1. OFFER DEADLINE AND PROTOCOL

Offers must be received no later than 15:00, Addis Ababa, East Africa Standard Time, on 21 June 2016. Late offers will not be considered by AGP-LMD and must be sent by e-mail to the party listed below on or before the designated offer receipt date and closing time. Please indicate RFQ-AGP-LMD-039 on the subject line of your e-mail.

6. TERMS AND CONDITIONS OF THE RFQ

Issuance of this solicitation does not in any way obligate AGP-LMD to award a subcontract, nor does it commit AGP-LMD to pay for costs incurred in the preparation and submission of the offer. AGP-LMD reserves the right to make revisions to the content and order of the provisions in the actual purchase document prior to execution by AGP-LMD and the selected awardee.

Please note This solicitation is subject to the following terms and conditions:

(a) CNFA's standard payment terms are net 30 days after receipt and acceptance of any commodities or deliverables. Payment will only be issued to the entity submitting the offer in response to this RFQ and identified in the resulting award; payment will not be issued to a third party.

(b) Any award resulting from this RFQ will be in the form of a Purchase Order, which is a simple method by which CNFA will fill anticipated repetitive needs for equipment up to a maximum amount. Once vendor(s) are selected, CNFA will issue purchase orders for the equipment quoted by the vendor, up to the maximum stipulated later in this RFQ.

(c) No commodities or services may be supplied that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Burma (Myanmar), Cuba, Iran, North Korea, (North) Sudan, Syria.

(d) Any international air or ocean transportation or shipping carried out under any award resulting from this RFQ must take place on U.S.-flag carriers/vessels. Any additional costs resulting from shipping the goods via U.S. flag should be factored into the final prices presented by the offerors.

(e) Preference is for offerors who can supply locally, or have established businesses or representations in Ethiopia or East Africa.
(f) United States law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. The supplier under any award resulting from this RFQ must ensure compliance with these laws.

(g) The title to any goods supplied under any award resulting from this RFQ shall pass to CNFA following delivery and acceptance of the goods by CNFA. Risk of loss, injury, or destruction of the goods shall be borne by the offeror until title passes to CNFA.

(h) Prices should clearly indicate, in separate lines, the basic price, and any additional taxes, including but not limited to VAT, customs, duty etc.

(i) All offers should be submitted in English as well as the local language if desired by the vendor.

7. BASIS FOR AWARD
The award will be made to a responsible offeror whose offer follows the RFQ instructions, meets the eligibility requirements, and is determined via a trade-off analysis to be the best value based on application of the criteria below. A Review Panel, appointed by the AGP-LMD project, will evaluate quotations submitted by eligible firms in accordance with the following:

- Technical – 30%: Responsiveness to the technical specifications and requirements.

- Delivery – 30%: The speed of delivery.

- After-Sales Services – 10%: The ability for the offeror to provide after-sales services, including warranty and routine maintenance, particularly in the areas outside of the capital city. Service center(s) will be evaluated on ability to be equipped with tools, staffed with technical personnel, and stocked with spare parts for after-sales service.

- Price – 30%: The overall cost presented in the offer.

Please note that if there are significant deficiencies regarding responsiveness to the requirements of this RFQ, the offer may be deemed “non-responsive” and thereby
disqualified from consideration. CNFA reserves the right to waive immaterial deficiencies at its discretion.

8. PLACE OF PERFORMANCE
The delivery location for the items described in this RFQ is Addis Ababa, Ethiopia. As part of its response to this RFQ, each offer or is expected to provide an estimate (in calendar days) of the delivery time frame (after receipt of order). The delivery estimate presented in an offer in response to this RFQ must be upheld in the performance of any resulting contract.

9. LIST OF EQUIPMENT
1000 Litter per Hour dairy processing Line (1 Production Line)

1. MILK RECEIVE AND STORAGE UNIT WITH CONTROL SYSTEM
2. HOMOGENIZER/PASTEURIZE/CREAM SEPARATOR UNIT
3. FILLING UNIT AND PACKING

Description
The British Council is the United Kingdom's international organization for educational opportunities and cultural relations operating in more than 110 countries and territories worldwide and has been in Ethiopia for the last 71 years. The British Council, which is one of the major partners of the Federal Ministry of Education of Ethiopia, has been involved and has made contributions to the development of the education sector in Ethiopia. Currently, through the Quality Education Strategic Support Programme (QESSP) funded by DFID, British Council is supporting the Ministry of Educations on capacity building; policy dialogue and enhancing evidence-based decision making capabilities.

The Federal Ministry of Education of Ethiopia has made significant progress in recent years in improving access to education, particularly at the primary education level. Since 1997 a series of five year Education Sector Development Plans (ESDPs) have led to marked improvements in school enrolment rates. The Ministry of
Education (MoE) recently completed its ESDP V that moves the ambitious plan through 2020.

Development partners including the UK’s Department for International Development (DFID) have provided support to the education sector for several years. DFID supports the Ethiopian general education sector through its General Education Quality Improvement Programme (GEQIP) and the Quality Education Strategic Support Programme (QESSP). The Minister of Education has now registered an interest in complementing this support with delivery focused engagement to deliver accelerated progress on quality improvements and learning outcomes.

British Council Ethiopia therefore invites interested service providers to submit a tender for: “Development of a delivery proposal for accelerated improvements in the quality of education across the education sector in Ethiopia” in accordance with the Request for Proposal (RFP) Pack available from British Council’s e-Tendering portal hosted at https://intendhost.co.uk/britishcouncil

The following Bid Pack is available to download from the Portal:
List of Annexes forming part of the RFP
1. RFP- Request for proposal bid document
2. Terms and Conditions of Contract
3. Supplier Response
4. Pricing Approach

Requirements

It is expected that the consulting firm will designate a team leader for this assignment. Both the consulting firm and the team leader are expected to have the following essential qualifications and experience:

Consulting Firm
- The service provider should have extensive experience and a strong track record delivering similar delivery focused initiatives (for example setting up Delivery Units to facilitate government reforms).
- Ideally this will include experience implementing this type of approach in the education sector, but experience in other sectors may also be relevant.
- The service provider should be able to demonstrate experience and effectiveness of working with stakeholders at the highest levels of government.

Team Leader

The team leader will need to exhibit the following:
- Strong problem solving skills and use of a range of frameworks and tools to uncover issues and quickly develop solutions.
- Excellent interpersonal skills, communication and influencing skills, and the ability to quickly build trust and strong collaborative relationships with government officials.
- Experience in managing and leading rapid transformation in either the private or government sector, ideally with experience in the education sector.
- High level expertise in education in a developing country context.
- A high level of drive and enthusiasm for the work, and a willingness to persevere through challenges.
- Technical skills in project management, planning, data analysis, reporting, developing effective communications and understanding trends and evidence.

Instructions to service suppliers
- Proposals must be submitted via the British Council's e-Tendering portal hosted at https://in-tendhost.co.uk/britishcouncil
- Tenders must be received by 16:00 UK time, on 24 June 2016 and be valid for 3 months. Tenders submitted after the due time and date will not be accepted
- Please contact the Contract Officer immediately via email to: Yalew.Desta@et.britishcouncil.org or Hiwot.Berasa@et.britishcouncil.org if you cannot access the RFP and any of the other documents in the e-Tendering portal hosted at https://in-tendhost.co.uk/britishcouncil.

Tender No.: MUDH/ULGDP II/C-045/2016

Description
Request for Expressions of Interest for Technical Assistance for Capacity Building of Additional 19 Cities in Oromia National Regional State to Qualify and Participate ULGDP II.

The government of the Federal Democratic Republic of Ethiopia has received a credit from the International Development Association (IDA) toward the financing of the Second Urban Local Government Developmental Program (ULGDP II). The Ministry of Urban Development, Housing and Construction, the program implementing agency, intends to apply a portion of the proceeds of this credit to eligible payments under the contract for which this Request for Expressions of Interest is issued:
The overall objective of ULGDP II is to enhance the institutional performance of participating Urban Local Governments in developing and sustaining urban infrastructure and services.

The ULGDP II became effective on July 11, 2014 and closes on December 31, 2019.

The Ministry of Urban Development and Housing has been seeking Expressions of Interest from eligible firms to Technical Assistance for Capacity Building of Additional 19 Cities in Oromia National Regional State to qualify them and Participate ULGDP II.

The Objective of the Assignment is to provide technical assistance for building the capacity of 19 cities in Oromia National Regional State to enable them to qualify to participate in the Second Urban Local Government Program (ULGDP II) and also to improve their performance in regard to the other performance measures/indicators of the program as stated in the Annual Performance Assessment Guideline (APAG).

The Consultants will also review and revise some of the manuals, guidelines, templates being used by regions and cities on the program.

Scope of Work

The guiding principle is that the Consultants are required not only to design and advise, but to also implement aspects of this scope of work in partnership with the federal and regional government teams and urban local governments. The tasks to be carried out by the Consultants are as follows:

During the inception period, the Consultants will carry out a situation analysis and capacity gap analysis for all the 19 cities which provide them an understanding of where the cities are, in terms of all urban management issues and program performance measures: This will assist the Consultants in further developing their work plans to address these issues and gaps. The Consultants will produce a draft Situation Analysis and Capacity Gap Analysis Report as well as a Work Plan.
The Consultants’ top priority for the 19 cities will be to build their capacity by carrying out activities and implementing systems that will ensure that all the cities fulfill the Minimum Conditions stated in the guideline which would gain them entry into the ULGDP II. The consultants will therefore draw from best international and local practice on urban management and assist all the 19 cities to fulfill each of the above minimum conditions. It is expected that the 19 cities will be assessed on these Minimum Conditions in the 5th Annual Performance Assessment which is scheduled for September 2017. The assessment is done by a separate independent consultant procured by MUDH.

Scheduling/Timetable
It is envisaged that the assignment will be completed within twelve months from commencement. If necessary and based on performance and mutual agreement, contracts of the team or a selected subset of team members may be extended or renewed. It involves 15 experts of various disciplines. From the beginning up to the end of the assignment, the Consultant will produce different Reports. And the Consultant will also submit to those reports as well as a Synthesis Report to MUDH and World Bank.

All the tasks will be specified and detailed in the Terms of Reference and Request for Proposals to be provided to the short listed firms. The work is expected to take 12 months, while the estimated time to be spent by each team member will be specified in the Terms of Reference.

Additional Information

Experience in Sub-Saharan Africa is essential and familiarity with Ethiopia will be advantageous.

Consultants can associate to enhance their qualifications. In case of a Joint Venture (JV), all members of the JV will be evaluated jointly for the purpose of short listing and shall be jointly and severally liable for the assignment. Interested consultants should clearly
indicate the structure of their “association” and the duties of their partners and sub consultants in their application. Unclear expressions of interests such as “in associations with” and/or “in affiliation with” and etc. without indicating the status of the partnership and designation of the lead partner may not be considered for short listing.

In sending their expressions of interest, interested firms must provide information indicating that they are qualified to perform the services. (Brochures and resume of the firms, descriptions of similar assignments internationally and in Sub-Saharan Africa and availability of appropriate skills).

The consultancy will be selected in accordance with procedures set out in the Public Procurement Manual, December 2011 and the Standard Bidding Document for Procurement of Consultants, International Competitive Bidding, Version 1, July 2011 issued by the Public Procurement and Property Administration Agency, Ministry of Finance and Economic Development, Federal Democratic Republic of Ethiopia, following (Documents available on website: www.ppa.gov.et) Our office will follow QCBS method to select the most competitive consulting firm. Consultants may obtain further information from the address below during office hours 8:30 AM-12:30 PM and 1:30 PM-5:30 PM from Monday to Thursday and office hours on Friday are 8:30 AM-1:30 AM and 1:30 PM-5:30 PM.

Expressions of Interest must be delivered or sent by mail/courier, email or fax to the address below, not later than Tuesday, June 21, 2016 5:00 PM.

NB. The Consultant who submitted its Expression of Interest (EOI) for Bid Reference No: MUDH/ULGDP II/C-044/2016 (22 Cities of Amhara, Tigray, South Nations Nationalities Peoples, and Somali National Regional States) cannot submit its EOI for this bid.
